HALIFAX UNIVERSITIES

career fair

The **Halifax Universities Career Fair** provides opportunities for businesses of all sizes, non-profit organizations, government agencies, and educational institutions to access the vast array of talent available within the student and recent graduate population of Nova Scotia. While the fair is a partnership between three of the largest institutions in our region, Dalhousie University, Mount Saint Vincent University, and Saint Mary's University, students from all universities in Nova Scotia and the Nova Scotia Community College are invited and encouraged to attend. Halifax is a vibrant city teeming with engaged and passionate students that serve as the economic and cultural hub of Nova Scotia.

We are expecting over 150 employers to attend this year's fair, and would like to offer you the opportunity to differentiate yourself from the competition through various partnership opportunities.

The Halifax Universities Career Fair is well-known for the high quality of students and recent graduates that it attracts, and we would like to offer you access to some of the best talent from around the world right here in Halifax.

As we move into a new recruitment season we look forward to working together to make this year's event the very best. There are partnership opportunities available for all levels of support. Please contact us with any questions.

Yours Sincerely,
Nia MacFarlane
