career fair

The **Halifax Universities Career Fair** Executive Committee and Student Coordinators would like to thank you for your expressed interest in participating in the Halifax Universities Career Fair.

This Fair, well-known for the high quality of students and recent graduates it attracts, offers you an opportunity to meet with some of the best talent from around the world right here in Nova Scotia.

For over 25 years the Fair has created meaningful connections between employers and students. Students value opportunities to connect their education with their career goals, and we know that you can help with this endeavor. We are also aware of the importance of your organizational needs, and we know that students and recent graduates can offer you their valuable talents and skills.

Together, we can create an event that will meet your recruitment needs and help students explore their career options.

As we move into a new recruitment season we look forward to working together, with you, on another successful event.
